“ Auntie Dean, you have always impressed me your class and made me laugh with your bluntness, which by the way, run through the Williams blood. I will miss your presence but not your spirit. Your spirit will forever be with me, Aaron & Tara. May God keep you close to your sisters and brother. With loving memories, niece Connie

“ Aunt Joyce .. one of my favorite people in my life and favorite Aunts... You influenced my life in so many ways. You always said what you thought and spoke from the heart, gave love and support throughout the years. And ooooh weee could you make a mean pot of red beans and rice and cornbread, lol ! I think of you always and remember just how much I love you. I'll miss you but you will forever be in my heart. What you taught me about life still influences me everyday. I know you are singing with the Angels now. My heart smiles and rejoices that you are with "OUR Father" and I will see you again. Thank you so much for being such an important person in my life.

*Love Always,

“ Joyce Dean Jones:

This is a person that will Truly be missed! She has touched many lives with her warmth and generosity. Personally...she's the main inspiration for me in how I inspire and desire to be like. Joyce was a human being that defines what it means to start from the bottom and work your way to the top in being a young struggling mother to having her own business which employed most the immediate family and friends. She was the type of person to be the life of the party, honest and direct in her response and one (!) hell of a cook. If you were a person that experienced the pleasure this aspect then you know the type of essence the woman possessed. Good, hole sum, tasteful, fun, addictive and ALWAYS eagerly anticipated. Yep! Those are perfect words to describe Joyce Dean Jones.

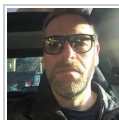

I thank you for being such a wonderful person to me Dean! My thoughts of you have always been and forever will be that of respect, admiration and honor. God blessed this earth with something wonderful when you were born and now you have another amazing servant in paradise.

You'll forever be in my hart.

“ Dear Mom, it is an honor to be your daughter. You were there for me through the good and bad times. You taught me to be a strong and independent young lady. Your love for me can not be described. Thank you for being my backbone. The physical detachment that we have will be missed tremendously. I promised to do Gods will so in time we will be together forever more. Love you Mom! Diana.

“ The Holy Bible says a friend will stick closer than a brother (sister). My Beloved Sister Joyce, you personified that in my life... I know God not only brought us together in Rialto, CA, He knitted us together... I will miss you in this life, but will always carry you in my heart. You were an original, one-of-a-kind! You truly left your footprints on my life. What wonderful memories I have and will never forget! My loving sister-friend, I will see you in Paradise. I will be glad! What a day that will be! Thanks for your unconditional love and the great memories - so many! I'LL ALWAYS LOVE YOU! You remain my heart. FRIENDS LIKE YOU ARE FOREVER - NEVER FORGOTTEN!

Yes Lucille we had some good times in Callie! I was bless when you, Alexis and Lisa came into our lives. You and mother were so tight. So happy that we never lost contact. You continue to be a blessing in my life and nothing or nobody will ever change the love that I have for you. I thank Mom for never losing contact so we can remain close.
