

## Juan J. Freitas

July 1, 1965 - September 28, 2024

Juan J. Freitas (1965-2024) was an affectionate, dedicated, and hard-working individual who always put the needs of others ahead of his own. Born and raised in Venezuela, he migrated to Connecticut, and then to Florida, which he ultimately made his home. He was known for his loving and compassionate nature, giving spirit, and witty sense of humor. Juan was a joy to all who knew him and had the utmost sense of care for his parents, tending to them each and every day in their old age. He was a die-hard New England Patriots fan, and we know he will be cheering them on from heaven. Juan was also a beloved father of two, Juan Carlos and Mia Camilla. Not only that, but he was also an adored son, uncle, brother, grandfather, and cousin to an amazing family. We know he will be with them all every step of the way in this life within the chambers of their hearts. Juan's personality brought warmth and joy to everyone he encountered, and his passing will be mourned deeply by everyone who knew him and loved the electric life that was within him. His memory will live on for generations to come inspiring all those who were around him with his kindheartedness, charisma, and unforgettable, fiery spirit.
