

Judd Perrine Webster

October 28, 1929 - October 27, 2018

Judd Perrine Webster went to be with his Lord and Savior Jesus Christ on October 27, 2018. Judd was born in Cleveland, Ohio on October 28, 1929. He was adopted at birth by his grandparents, Frank and Ruth Webster.

Judd is survived by his daughter Wendy (Terry) Burke, son Judd Webster. Daddy Grand was a loving and proud grandfather to his two Granddaughters; Shae Abercrombie and Karen (Ted) Klehr, and two great grandchildren Giselle Abercrombie and Aiden Klehr.

Judd grew up outside of Cleveland, Ohio where he attended The University School, a private school for boys. Judd was a stellar football and track athlete. His accomplishments in track earned him a scholarship to the University of Alabama where he competed in the 1/2 mile and the mile. He was one of the best 1/2 milers in the nation, and he helped guide the Crimson Tide to their first and second ever SEC Championships along with Championship Honors for himself. Judd was also a Sigma Chi and a member of ROTC.

After college Judd served in the U.S. Army as a 2nd Lieutenant in the 11th Airborne Division based in Ft. Campbell, KY.

Judd settled in Winter Park, Florida after his service to his country. He was a Realtor and an Equestrian Judge and Announcer for over 40 years. He was

considered at the top of his profession in the Hunter/Jumper Horse World.

Judd was a great storyteller who could always hold a room on his own. His success in life came from the great relationships he had with so many people all over this country. He always had a smile, a joke, and a story to tell. He loved God, his family, his country, and the University of Alabama.

Judd will be greatly missed by all who had the fortune of knowing him or being a part of his life. God Speed and ROLL TIDE!

“ *Judd and I worked together for years in Real Estate. He was always one of the kindest and most caring people I ever knew. I have many fun memories of Judd. He made life enjoyable for everyone. Cant let this pass without saying: " He was the world's best dancer." Gals would line up to dance with him. I remember taking my children to hear him at the rodeo. Wow. He was great. This past year I reconnected with Judd over FaceBook and the phone. So thankful for that time together. His children were and are precious and the center of his life. God Bless you all.*
