“ *I still fix hot Italian sausage with sourcroust, peppercorns and bay leaves like Judy showed me. Good stuff. So very sorry for your loss.*

“ *Joe and Family,
We were so sad to hear the news of your mothers passing. I remember all the times sitting out front on Webster Street chatting. And watching all the kids playing. I hope your memories give you strength in this trying time. And the knowledge that she is at peace watching over you and your family.*

“ *I am Judith's cousin. Although we never met, I did have the honor of speaking with her on the phone like 5 years ago. She talked about the Burning Man event. If I ever go to one of those I will be thinking of her for sure!*
