“ Debra Scala-Giokas - past co-worker and friend posted a condolence To all of Judy's family and friends, It is with great sadness and shock that I learned of her passing. I had the privilege of working with Judy back in the early nineties at a law firm on Long Island (actually two.) I remember he always, always laughing and smiling. To this day, she sent me a Christmas card, and they were always humorous. I still could count on Judy to make me laugh and smile. She always spoke so highly of all of her family members and was so proud of them, as people. I can't believe she is gone. I can still hear her laughing, and that's how I will choose to remember her. In deepest sympathy, Debra Scala-Giokas

“ Pat Baker - Friend posted a condolence Dear Kevin & family - I'm so sorry to hear of your tremendous loss. Judy was a wonderful friend, even though for many years our friendship merely consisted of funny holiday cards and e-mail, but still I feel such a bond and such a loss. She was truly the definition of free spirit. Back in the early 90s I saw her once on the parkway in her convertible with that red hair flying in the wind. I will miss her terribly. My deepest condolences. Love, Pat
