“ *Adam - Friend posted a condolence Dear Tina and Mindy, I am truly sorry for your loss. Please know that yourmom/sister is in a better place and that she will always be with you, much like you will always be with her. The time you shared in this world pales in comparison to the infinity you will share in the worlds and eons to come. It's hard to let go of the physical, but the spiritual is ageless and timeless, and those unions will never be broken. Sincerely, Adam*

“ *Cathy Hammack (CT's LadySilverSplash) - Cybertown.com friend posted a condolence Judi (ladybobcat to us) was such a powerful, crisp, fresh breath of life -- whenever she was near, one always knew she was there & enjoyed being near her. She was one of CT's most avid supporters, and she was loved by all who knew her. To say she will be missed is a great understatement; Cybertown will have a big void that we will feel and mourn for a very long time to come. My only comfort is knowing that Judi is finally dancing among the stars. I will always be grateful to have known her, and it is my wish for Bob and Tina to know how much she was--and is--loved and missed.*

“ *Yvonne Gray - Older sister posted a condolence With no contact for many years she will still be missed. But memories remain. She was cute and adorable as a child. A pretty and resourceful woman. I will miss her.*
