“ *My mom was one of a kind. She was there for us kids no matter what. I'll always remember our long talks, hugs that always fixed whatever was wrong, her love for music and shopping, and how excited she was to be a grandma soon. Mom, Henry will know so much about you and your memory will live on forever! I love you and miss you more than anyone could ever imagine!!!! Rest easy and eat all the ultimate subs and chocolate cherry ice cream you can up there in Heaven!!!! No one compares to you mamma!!!*

“ *I have so many. Each one is precious to me. I don't think I can pick a favorite, but I'm a fast talker, and some of my fondest memories are of talking with her, 3 or 4 subjects at once, neither of us thinking it strange. Every one of my childhood memories are treasured, she was the absolute best mom possible, and was always my biggest cheerleader.*
