

## Judy Ann Henry

July 18, 1942 - June 21, 2016

Judy Ann Wellinger Henry passed on Tuesday morning, June 21 in the care of Cornerstone Hospice of Clermont. She was born July 18, 1942 in Nebraska to Bill and Margaret Wellinger. Judy was the firstborn of four children. She was preceded in death by both parents and brother Scott Wellinger and is survived by two sisters, Marty Schmidt of Denver and Susie Wellinger of Santa Fe. Judy attended Winter Park High School, graduating in 1960. She attended the University of Florida where she was a member of Delta Gamma. She remained active in reunion activities with her high school classmates with whom she continued a treasured lifelong friendship.

In 1964 Judy married R.V. Henry, with whom she enjoyed 52 years of marriage. They were blessed with four children: Scott Henry, Lisa Henry Drury (Jimmy), Andy Henry and Terri Jean Davis and Mike and Laura Henry. They have proudly enjoyed ten grandchildren and 8 great-grandchildren and one on the way.

Judy worked at Cappleman's Insurance Agency in Winter Garden for 25 years where she met and loved not only her co-workers but people in the community. She continued her career at the City of Ocoee Public Works Department for twenty years, retiring in 2007. Throughout this time of working and raising her own children, Judy spent numerous hours participating in school and youth sports activities and civic functions. The Henry Home was blessed to have a door which was never locked. Because of this, it became a temporary home-away-from-home for many, who lived in Judy's/Miss

Henry/Nana's heart until she passed.

The family requests in lieu of flowers that a contribution be made to the Cornerstone Hospice of Clermont. A celebration of life will be at the First United Methodist Church of Winter Garden on North Lakeview Avenue at 3:00 pm Friday June 24. The family will receive guests and provide refreshments immediately following the service in the Fellowship Hall, and have requested casual attire

“ RV, Scott, Lisa, Andy, Mike and family,

*What an amazing woman, she will be so missed but never ever forgotten. She has touched many lives and we will hold her close to our heart. She had such an impact on my life when my son and I moved to Ocoee, which I will always be thankful and remember. Tommie became great friends with the Henry's and they became very dear to us. Her door was always open, and Judy would always welcome us with open arms with that great smile of hers. She had such a wonderful gift, when you were around her, even if the room was filled, when you were having a conversation, she made you fill like you were the only one there. I know that she gave that wonderful piece of her to everyone, that was just Judy. Oh she loved her family and they love her. Great Memories. God Bless, my love and prayers to you all.*

“ *Mr. Henry, Scott, Lisa, Andy, Mike & family,*

*Ms. Judy was loved by so many, myself included. My dad also thought the world of her and all of you. I hope they get a chance to visit with each other in Heaven. She was a wonderful and sweet lady who mentored, nurtured, and loved so many of us "kids". My thoughts and prayers are with all of you now and in the days to come.*

*I am so very sorry that I won't be able to be there tomorrow. I wish that there was a way that I could, but I am unable to leave work. Please know that I will be there in spirit and will be thinking of you all.*

*May God give you comfort,

“RV, Lisa, Scott, Michael, Andy and Marty and Susie,  
How blessed you were to spend all those years living with Judy.  
Everything in her life was positive. She said many times "I have had  
a  
wonderful life with no regrets." And she meant every word. She  
loved each and  
every grandchild and great grandchild. What a delight she was to  
travel with. Always smiling, always happy. She talked of all of you  
often. Our high school group was such  
a rare treasure. We will miss her every day, as you will. Be strong-  
she would expect that of you.

“Here I am - the motor-mouth of our WPHS group, the one who loves  
to write about our adventures ... and I am lost for words. I can  
scarcely imagine us being together without our LAUGHTER QUEEN  
... never a complaint, never a whine (except when she lost at cards!  
:) Oh, Little Person, how we miss you already; I am so grateful to  
know you are pain-free and making everyone in heaven SMILE, as  
you did us .. and to know that one of these days ... you'll be dealing  
me a PERFECT HAND so I can finally beat TONI ! R.V., Lisa who I  
have met ... and those of you I have not met ... take comfort  
knowing that you were the spark and the lights of her life. Thank you  
for sharing her with us. May the One who created her and you, now  
be the comfort and peace you need now and in the days ahead. I

“ Mrs Judy will be missed greatly. But she has left a great legacy of her faith in God, giving of herself to family & others, opening her home to foreign exchange students, constantly offering encouragement & smiles to all she surrounded herself with and the list goes on and on. And we only know this because of those who testify of these things. But she is now pain-free and anxiously awaits to be united with her loved ones in heaven.

Mike, we will be praying for you & your wonderful family. May God comfort you as only He can at times like this.

“ We will all miss Judy's infectious smile and laugh! I have loved the past 16 years as Judy and I were reconnected as Winter Park High School graduates! We have had a fabulous time traveling, playing cards, noodling, and talking and laughing! She is free at last from all her health concerns that never slowed Judy down! My love to all the Henrys! Love, Molly

“ *RV, Scott, Lisa, Andy and Mike & family,  
Well I guess I will be the first to do this. This is hard, and it hits home. Your mom was a gem. She was kind, and loving. Full of life. She loved you all and loved us all. Never knew a stranger. I need to remember the good times and the fun. All the Stop in the names of love duets. To our Senior trip. Judy, Edna and Coach Smith. LOL- boy did we have a blast and there were no rules. I loved her like she was my own mother. God gave you 4 a special gift and that was Judo!! And I thank you all from the bottom of my heart for sharing her for all these years. I got to hug her, and I told her I loved her the day of Jr. C's funeral. As usual she was giving me a hand. I love you all!!!*

*All my Love,
