“ So sorry to hear of Julia's passing. I have been praying for her. I remember the tough lady that she was - family, church and country. I will miss her frequent calls to keep in touch with me over the years. May God bless her and Lenny and family strength to carry on without her. Love, Reggie Gratzon

“ Julia was a colleague and friend. When Julia was in the room you know you were going to hear a little tidbit of history. I was astonished by her tremendous wealth of knowledge about any topic you could bring up. She was hardworking, fun, and loved by everyone. She was so proud of her family, loyal to her church and friends. I know she will be missed.

I worked with Julia from 1985 to the day she left Orange County. We had many chats about the stock market and recipes and NY. She was a good woman with a big heart. I will miss her.

I hired Julia to work in the Zoning Department many years ago. I knew she was someone who would work well with others and every day bring a bright ray of sunshine with her great smile and cheery disposition. My best to her family.
