“ *To the Oldham Family,*

Our hearts and prayers go out to the entire family in this difficult time. Although we did not know Julia very well, we share in your grief. The last time we saw Julia was last December in Orlando when Julia and her family came to see our grandsons play football in the All Stars Games. It had been a while since we saw her last. She grew up to be such a beautiful young lady. Always smiling and cheerful. She will forever be in our thoughts and prayers.

*Sincerely,
Chris & Tom Comella, Sr.*

“ To the Oldham Family,
We loved seeing Julia's ever smiling face at Morning Star. She always had a cheerful "Hi Mrs. Breske". She was a pleasure to spend time and conversation with. I will always remember our conversations about One Direction. We know Julia is dancing with Jesus and smiling down from heaven upon everyone. The beauty of her soul is like the colors of a rainbow. She is now a guiding light for Morning Star. We are blessed & thankful that God allowed her to be a part of our lives. Her touch on our lives will be forever in our hearts. Faithfully knowing we will all be together in heaven one day helps ease the sorrow in her absence now. Jesus is holding you all in the palm of His hand. May you always know His peace, grace and love are forever with you.

Love & Prayers,

“ Julia was a ray of sunshine, a lover of all creatures great and small and all girl. She knew no limits to how she loved to how she was in life. I know that she ran, excited, big smile on her face into the arms of Jesus. She leaves a hole in the lives and hearts of all of us who were blessed to have been loved by her.

Morning Star Cathoic School - August 03, 2016 at 10:36 AM

“ Julia always arrived at Morning Star in the morning full of energy and anxious to see everyone. She would come into the Big Room, plop down in the middle of a group of students - smile at everyone - say good morning to everyone - and then proceed to talk about something she did the night before. Julia was a beautiful young lady who also participated in the Morning Star fashion shows. She radiated God's love for everyone.
We love you Julia and know you are with Mary, our Morning Star.

“ It was such a privilege and an honor to have met you, even though for such a very short time. Julia I know you brought such happiness, life and enduring friendship to our best buddy Alex Schon.

I know at times like this we question “why” but we can take comfort in knowing that your beautiful life touched people and made immeasurable marks in the path you walked with your family and friends.

I know that God will keep you, bless you and free you from all life’s burdens till we all meet again.

Our hearts ache for all of Julia's family and friends. Kim, Parker and Ryan you are in our thoughts and in our prayers.

“ *Dear Julia,*

You became a part of me from the first day I met you. A daughter I always wanted and never had...I will miss your smile, laugh and oh so truthful comments. You touched our family. You taught us grace, honesty, and beauty in every day experiences. You meant more and taught us more than you will ever realize. You were an angel, and always will be. Unwilling to say goodbye, as I know you are with me forever. I will always love you....Jodie Cannon
