“ I will never forget our conversations and laughs we've shared. Your calls to let me know you have a plate of food saved for me, your coco rice always being a favorite of mine . From the moment I met you I felt nothing but welcomed and loved. I'm so thankful to have met you and the relationship we once had. I will never forget . Sending you hugs and kisses to the heavens. May you Rest In Peace and continue to watch over your family as you are loved by so many ❤️

“ I've been missing your early visits every weekends. The doorbell rang early every weekend and I knew it was you. You would come just as I was making breakfast and would join us and we chitchat about anything/everything. I would get upset sometimes because Rosa didn't come. We shared so much from the moment we met and I'm so happy you were able to meet the youngest member of the family MARJANI(MJ). I have so many great memories of you and the family. We'll miss you mucho but you'll always be in our hearts. We Love you always and forever. RIP Julio until we meet again. Elsa & Nene ❤️

“ *A childhood friendship forged through the years and cemented itself with shared memories and experiences, ridiculous arguments, meals cooked for each other, so much laughter, respect, and undeniable brotherly love. Thanks for all of it! You may have left this world but your legacy lives on through your wife, sons, grandchildren and all who knew & loved you. We will keep your family close in our hearts now and always. RIP (with Snoopy by your side), our friend & my brother. Rome, Doris, Ingrid, Talia, Grace, & Aidan*
