JP

“ *Beloved husband and father.*

Pa, you will always be my hero. I will always carry with me your love, courage, and bravery, to name a few. You showed me Jesus in how you loved simply, without grudges, no matter what. You are the bravest man I ever knew. You are my hero, and always will be.

I love you mucho, mucho, mucho and cannot wait until I meet you again in heaven where we will dance with Jesus. I miss you so much and I carry you in my heart.

*Love,
Joanne*
