“ Hey there Bub. You Are Still Missed AND Loved everyday. That will never change. I'm trying to take care of your mom but she is a little much to handle. Lol. Cody is Spending the night with her tonight, he loves his Aunt Angie so much. When I am with Angie, it reminds me so much of mom. She looks a lot like mom. She is here in New London with us and I hope that is where she stays. I know I don't write often enough. Sis Loves and misses you. Til we meet again.

“ Ha there Dwayne buddy it me, Sis. I loved you with all my heart. My heart hurts for you everyday. I am not going to say that you didn't know how much I loved you because I know you knew. You know your Uncle Hank loved you too. My boys didn't get to know you. But Cody was sure waiting for the day for us to go to Disney together. He would ask every few weeks how you were doing. I wished I could be there for your mom. I love her with all my heart and I could not imagine loosing a son cause this hurts bad enough. She is a strong woman and i know she will make it through this, it is going to be hard. She loves you boys to the moon and back. And so did I. Rest In Peace Dwayne until we meet again. Tell everyone you meet in heaven that I love and miss them so much. I love you buddy, don't ever forget that. Sis loves you always and forever!!!!!!
