“ I had the privilege of begin part of June's life since 1965 when I met Debby after they moved into our neighborhood and we became best friends for life. She was my "mom away from home" growing up, funny, had a song bird's singing voice, loved working for the Florida American Legion, and loved her kids/grands/great-grands. I was also fortunate to have her as my "forever" mother-in-law. June-bug will be missed by all who enjoyed her friendship and love. Love you always, Debby!
