“ *Kayla - Granddaughter posted a condolence I wish I could be there. I'm going to miss him with all my heart and I only wish I had the opportunity to say goodbye. Oh how I want to be there. My final words to him before I left to go back home were, "I will be back. And I will see you again." How was I to know that would be my last time to see him. And now I don't get to say goodbye. Well hopefully he can see it here and here the song of sadness in my heart. Goodbye Abuelito, yo tiquiero para siempre y mucho.*
