“ Dadi was the most sweetest and caring person. I'll always remember the first time I met her. She made sure to cook my favorite sweets and hugged me just like I was her very own granddaughter. I'll miss the way her face lit up when she was with her family and surrounded by those she loved. Even though I only knew her for a short time, I'll miss her and her bubbly personality. Fly high and Rest In Peace, Dadi❤️

“ So sorry to hear of Kanak Thaiji's passing. She was so kind and compassionate towards everyone. My most cherished memories of her involve infectious laughter. She had an amazing sense of humor and it inspired the kind of laughter you needed a while to recover from. The kind you felt through your entire body and took your breath away. No poker face stood a chance against her humor. She will be deeply missed.
