“ My favorite and most cherished time spent with Bentley (and the rest of the family) was when we were at Kennywood for I believe it was for Tom's company picnic. We rode rides and played games. And Bentley was really wanting a particular BIG stuffed animal so we played that game until we won it 🎉😊. It may not sound like much, but it is forever engraved in my heart. ❤️ I'm praying that God will comfort you all during this difficult time. Love and prayers, Robin and Kenny Gump

“ To his family : My deepest sincere condolences.
This is difficult time, such a great loss.

I'm very saddened ... Bentley is and always be well thought of. Such a beautiful kind soul. I remember how he loved 7 springs. He was amazing to watch and made it look easy. We will have found memories, kurt and I.

I will never forget him when it snows.

I'm saddened not to see him on earth, but I will see him in heaven again.

I pray for understanding and strength in this great loss.
