“ Carol and family,

*I was so sorry to learn of your Mother's passing. She was such a bright life force. I will always remember when she visited with us during Buckeye's Y2K vigil...it was very anticlimatic and without Kay's lively humor it would certainly have been dull!*

*I know the last weeks have been very difficult for all of you, and losing a Mother is never easy, no matter when, but she will always be in your hearts.*

*Take care,*

“ Dear Carol and Family,

*I'm so sorry to hear about your Mom. Mrs. Besedick led such a full and wonderful life with so many great times. Please know that you and your family have been in my thoughts and prayers. I know that you are all very weary from care giving over the last several weeks. Losing a Mom is a true sadness, but take comfort that she will be watching over each one of you.*

*In Comfort and Sympathy,*
