“ *Kathy was a bright shining star who always had a smile and kind word for others, even when things were not going well for her. She never said no to helping someone in need. She was greatly loved by many and will be sadly missed.*

“ *Kathy, such a wonderful person. Sweet. Caring. Easy to talk to. Although i barely knew her, i enjoyed every small moment i shared with her. Reading about her Chinese Zodiac Sign. Her sign is the rat. Strong and a fighter. We miss you.*

“ *Aunt Kathy was one of the few people I could turn to. Who was there in my darkest hours, and the life changing events. she was someone who I could talk too. Sometimes I think she knew me better than I knew myself.*

“ It's amazing how much one person can change your life. I know with no doubt in my mind that Kathy was Gods answer to my prayers. She is and always will be the kindest, warm- spirited person I know. She joked so often about me being her second daughter, but those words mean so much to me. Her hugs are really what kept me going some days. My dearest Kathy... I'm blessed to love and have been loved by such a beautiful soul. You will always be my momma, I love you always.

“ I first met Kathy in March 1993 when her late Uncle Jim brought me to Orlando to meet his family. I was a nervous wreck but Kathy's hospitality and genuine cordialness made me feel quite comfortable almost immediately. Four years later she served as our marvelous photographer for our wedding in September 1997. I later learned, after our marriage, that it was to Kathy first, that Jim shared his meeting me. A bachelor for all those years really surprised Kathy and I smile every time I think of her and that story. I truly give thans to God that Kathy now rests in His peace, in her heavenly abode and is rejoined with her Uncle Jim. Barbara Ketchum

*I worked with Kathy for a time that seems all to brief now. She was a pleasure to be around as a professional but more so as a person. She was a bright light and will always be cherished.*
