

Kathleen Marie Bowen

August 21, 1944 - February 13, 2019

Kathleen was a loving wife, mother, grandmother, and all-around person. She was incredibly generous, thoughtful, and courageous. She suffered many hardships throughout her life. She battled through everything to give her son, her granddaughter, and grandfather all that she had within her. Her smile and laugh lit up the room. She enjoyed working with her husband, playing games with her son and granddaughter, baking cookies with her niece (a second daughter to her) Jenni, sewing, gardening, cooking, and cataloguing her loved ones through photographs and detailed notes.

A favorite group of Kathleen's, after her son passed, was The Compassionate Friends. She, her husband, and her granddaughter went every spring to a "butterfly release ceremony"; and every winter to a "candle lighting ceremony" in remembrance of her late son.

Anyone lucky enough to have been graced by her presence in their life knows the lasting impact that she made. Her life was not all tragedy. She cherished each and every beautiful and happy moment that she had. We may mourn; though we must also celebrate her life and wonderful memory.

Kathleen is survived by her granddaughter Paige Kathleen Munro, grandson in-law Edward Anthony Munro, along with many siblings, nieces, nephews, great-nieces, great nephews, great great-nieces, and great great-nephews.

Services for Kathleen, husband David Wayne Bowen, Sr. and their son David Wayne Bowen, Jr. will be held on Saturday, November 21, 2020 from 2:00 pm to 4:00 pm at DeGusipe Funeral Home & Crematory, 1400 Matthew Paris Boulevard, Ocoee, FL 34761.

The family of Kathleen Marie Bowen invites you to leave a message of condolence on the Tribute Wall created in her memory.

“ Aunt Kathy, I will always remember and cherish the times that we spent together in your home. I can still picture your home, as it proudly displayed photographs of your loved ones everywhere! I always loved looking at all of them! I believe that my passion for photography and for displaying family photographs throughout my own home comes from you!💕 Thank you for that. Photographs are life treasures! Thank you for being the best big sister to my mama! She always looked up to you and respected you. She misses you dearly! Until we meet again...bye for now! xoxo

“ To my Dear sister. I miss you so so much and miss our weekly get togethers. I will never get over the loss of you and our friendship! I miss talking to you and enjoying our meals together and our "tv shows" we indulged in. I hope your pain is gone and I am certain you Dave Sr., and Dave Jr are together in paradise. God Bless you all! I know you are all smiling down on us and awaiting each and every one of us to join them when it is our time. God loves you and so do all of your beloved family members.

This is a beautiful tribute, aunt Janey. 💕💕 Grandma always called you "her baby" and treasured you more than you know.

“ Grandma, you were my whole world. You raised me, loved me unconditionally, and supported me through everything. You taught me so much. You made my broken childhood as whole as it could be. You sacrificed so much to enjoy time with me and give me a good life. From reading me bedtime stories every night to taking me to Disney World to only ever being a phone call away. Every time I'm sad, accomplish something, or just want to chat I still go to call you. Only to remember that I can't anymore. I love and miss you more than words could ever express.

Two of the sweetest people I know. Kathy and David always made me feel like I was part of the family. We all had some good times together, game night playing pictionary and others. No one meets by accident and moving Janice behind me , being neighbors , I have met all of you and love you all. My heart broke the day you both left this Earth, now you're resting in the arms of Jesus. REST IN PEACE MY DEAR FRIENDS!

Two of my favorite people. We had alot of good times together, playing pictionary, Kareoke at the clubhouse, Valentines dance in February. No one meets by accident. God moved your sister right behind and through her I met all of you. You both treated me and Zack like family and always supported him in everything he did. We love you both. REST IN PEACE DEAR FRIENDS
