“ *Hugs and prayers to all of you. Kathy was a special lady. I will miss our emails and am so thankful I was able to talk to her on March 19th. We share the same birthday so she will always be in my thoughts. No more suffering, rest in peace.*

“ I have so many great memories of you Aunt Kathy! The waterslide at Lake Raystown, Kerri Ann losing us, lots of great parties and family gatherings just to name a few. The solid, loving marriage between you and Uncle Bill was nothing short of inspiring. Love you always!

“ Lots of memories from a beautiful, fun loving sister. From telling "stories " at dinner time as kids, walking downtown with Grama & Pappy Jim to going to the beach with friends. I will always have these and more special memories in my heart. Love you always.
