“ *I had the pleasure of working with Keith at Signature GMAC a few years ago. He was an excellent real estate agent and well-thought-of by customers, management, and his coworkers. Keith always had a smile and a good word. Heaven is a happier place because Keith has gone home. We will miss him.*

“ I have many memories with Keith. I was only 6yrs old when I met him he was dating my sister Robin who he married. He use to take me all over he didn't seem to mind me hanging out. I remember his gold and black triumph Bonneville loved that bike. He bought van old Pontiac catilina from my neighbors and he let me help him with replacing the brakes. When I turned 16 he gave me a job working at the cleaners driving the uniform van which I smashed and he didn't get pissed or fire me. Yes a lot of memories like Brian said way to many to list so I'll stop. Rest in Peace Keith!!

“ There are so many memories to share of my time with Keith in high school and beyond, this space will not be enough to do them all justice. Just a few: holiday dinners at his parents home in Easton, I would eat at my house then venture forth to theirs these were always wonderful. High school graduation night, we almost made it to his house without mishap, but about two country blocks Keith decided to try and fit the VW Bug between a telephone pole and stone wall on Sport Hill Road, his Dad was not happy. But the one that sticks out most, is when I was having a hard time after leaving the Marine Corps readjusting after Vietnam, Keith and his wife gave me shelter at their apartment in Fairfield for around a year, that is a true friend!

Pam- I told him to pick out HUGE ones when he got there, if he had a choice. Told him size matters! LOL.
