“ I am so saddened to hear of Kendra's passing. Just this, morning my husband and I were sharing a memory about the NICU experience we had and that is when Kendra, Mike and Tawna came up. I decided to Google and see if I could find Kendra. When I did, this is what came up. I wish I was aware of her passing sooner. She was such a wonderful, sweet, caring lady. We had met because we both had little ones in the Arnold Palmer NICU born within days of each other. Both of the girls were our first. We shared a special bond through that often scary and stressful experience that only those that ever went through it, could understand. I did catch up with her again through the internet and heard some music she had written. I was blown away by her voice. Sadly we didn't keep and again lost contact. Prayers and thoughts are with Michael and Tawna as I know that no matter how much time has passed, it has to still be hard on them.

“ Kendra crossed my path many years ago doing the Lords work!(as a missionary in Papua New Guinea) What a wonderful caring and giving person she was! The best singer-songwriter ever! She always lit up a room. I am sharing a last memory...picture the hubby took of she and daughter while on an RBC PROJECT 2/2011 doing what she did best...giving of herself! We will miss but only for a moment!
