

Kenneth Edward Christianson

December 8, 1988 - November 22, 2016

Ken Christianson, 27 was born in New York to first time parents Ken and Pat. Throughout the years they watched him grow and find passion in computers and learning. He was a walking GPS, a computer genius, a video game and movie lover and most importantly, an amazing big brother to both Max and Emma. He was loved by all with his gentle soul and loving ways. His sarcasm and wit could make you cry laughing, yet his embrace could make all your worries disappear.

After seven wonderful years together, Ken and his fiancée, Rachael decided to elope on November 2nd. Everyday together was greater than the last. Unfortunately, just 20 short days later, Ken left this earth unexpectedly due to a brain tumor unknown to any of us. He left this earth with his family surrounding him, holding his hands, feeling their last embrace of kisses and hugs and every ounce of love.

Ken will live on forever in our hearts, and not a day will pass without us knowing his love for each and every one of us.

"Energy can neither be created nor destroyed; rather, it transforms from one form to another."

As a wonderful friend said; "he is now part of this world. He is now constantly

and consistently with you. He will always have a presence around you. When you look at the blue sky on a sunny day; when you look at the sky when it's cloudy and gray; when you look at the night sky with all the bursts of tiny dancing lights; when you look at the moon illuminating its dark canvas; when you look at all the forms of life around you; when you stop and smell the sunflowers, he is there."

He will always be there.
