“ I am very sorry to hear about Ken. He was my co-worker and friend. He once beat me in a Air Force horseshoe event and won a trophy from work. He felt so bad about beating me that he actually gave me his trophy. I kept it for a year or two and I felt bad about it so I actually mailed it back to him in Ohio. That was the kind of guy he was. He always was so caring and giving and also as others have mentioned here always comical. He always had a joke to tell or email. I will miss him but never forget him. He was a great person.

“ *Very sorry to hear of Ken's passing. He worked in my office in the Pentagon for 12 years providing guidance to worldwide bases and commands on financing Air Force morale, welfare, and recreation services. Ken was well respected by all who worked with him, and all our people at bases, who always found him helpful. My sympathy to his family.*

“ Words cannot express my sorrow. Ken was a wonderful person and great friend. I met Ken through work, and have wonderful memories of time spent together on business trips. We built a great NAFFA family and continued to stay in touch even after retirement. I'll miss that great personality and smile. Rest in peace my friend in Gods Kingdom. Beth, may God comfort you and your family during this sad time.

“ My condolences to the family. Ken was a great guy and one of the best co-workers. We were together on September 11, 2001 in the Pentagon. Every year on Sept 11th, we always sent emails, just to check in and say "we remember."

Again, my most sincere condolences to the family.

*Very Respectfully,
Sonya Cook*

“ Ken and I met over the e-mail thru friends that worked at the Pentagon and retired from there. We became friends thru shared interests and things we didn't always agree on ha ha. He helped me with mechanical things I was terrible at and we discussed a myriad of other subjects thru the time we knew each other. I always enjoyed our e-mail chats and I will miss him terribly. He was my mystery e-mail buddy. We shared our experiences at the five sided puzzle palace and other things and I learned a lot from him and he shared his family with me.

Beth, my prayers are with you and your family at this terrible time and if there is anything I can do to help, please don't even hesitate to drop a line. Ken was very special and I know how you and your family must be suffering now, but my thoughts and prayers are with you all.

“ I wish I could say I was a close cousin but we grew up somewhat close while he was living around here. Once he got married and moved away it was a rare chance to hear from him. I connected up best through Beth on facebook. Ken didn't like the public access to his information probably because he worked for the government. I was very blessed to be in his and Beth's wedding . I kept him in my heart and prayers where his memory will always be for me.
