“ *Michelle L. Lucas-Ferguson - Niece posted a condolence Dear Jon, I do not know you. However, I was your Fathers neice. I saw him years ago, when my family and I visited him in Florida. He also visited us in Vermont one year when I was a young kid. We had a snow storm that kept him from going home to Florida. He was my Dad's last sibling. I just wanted to express my Sincere Sympathy to you and your family. God Bless You All Peace Be with you.*

“ *Mary Sweatt - friend posted a condolence Jon, I met your Dad in the upholstery class at Mirror Lake in the early seventies. He was a dedicated assistant and a fine man. We shared many chili dogs and our class was lucky to have his help during class. He was much loved and appreciated by all. I also remember how proud he was of his son Jon, both as a talented child and many years later as a man. We had breakfast at the counter of his favorite restaurant occasionally[several years ago] and he never failed to mention how helpful you were to him. I know you will miss him. With sympathy, Mary*
