“ I was a friend and classmate of Ken - and I loved him dearly. We spent a lot of time together in our youth. To learn of his death at such a young age was shocking to me. He will forever in my mind and heart be that kind, funny, sharp tongued, witty handsome guy that I was lucky enough to have hung out with and been friends. To Dwayne and Laura I send a hug - I'm sorry you've lost a sibling, be there for each other. To Dave and Marlene, now that I'm a parent I cannot even imagine the pain of losing a child. My deepest and sincerest compassion, sympathy and condolences go out to you. To Ken's wife and children- he always spoke of you so proudly - may you find comfort in each other and your memories. I am so very sorry.
