“ Jo - so sorry to learn this news. I remember him working at the credit union and we'd always chat when I went in there - such a nice man. My mom passed just 6 1/2 weeks ago, after a long journey with dementia. After being with her every day of those 5 years, I have an idea how hard this journey is for you. My sympathies are with you and your family. Can't wait for Jesus to return so we can be united with our beloved ones.
