“ We knew him by the name of Paco. He was more like a brother to us than a first cousin. We had so much fun with him and his brothers. They were a riot. Never a dull moment when we were all together. We all loved Paco so much. Rest in peace Cuz.

“ I have so many fond memories of K Ernest, He loved his Family, he was a Great Father and he could turn a frown into a smile. He was there when my son lost his arm. He got a trouble hook out of my head. Words cant express the inpact he had on us all.
