“ Reading the GRRMF newsletter and learned of Kevin's passing. Dawn and I send our heartfelt condolences to his family and fur babies. Kevin did 2 in-home interviews for our rescues Ginger (formerly Cookie) 2010 and our current Golden Kona (formerly Ohna) 2015. Such a great guy who will be missed by many.

“ Nancy,  
You have my condolences on the untimely loss of Kevin. He was a caring friend who made me laugh. We would meet at the Panera in Heathrow for coffee to catch up on what was going on with our families. He loved his dogs and always had a soft spot in his heart for animals.  
May God continue to bless you and strengthen you during this time of grief.
