“ *My dearest first Love, Kevin. We share a child together and he looks just like you. I have loved you all these years and prayed for you. My heart is filled with sorrow as I find today that you have passed. I pray that you are home with the Lord. God bless you my love forever and always.*

“ *Dearest Kev,  
through the trials and tribulations of this world your journey is over.  
I've known you for most of my life and although we lost touch I will  
never forget the great times we had growing up together. From  
treehouses to underground forts we went through a lot of life  
together before we went seperate ways. May God guide you now.  
Much Love to you and the loved ones you have left behind. Gina
