“ *I am so sorry to read of Kim's passing. The Collings were neighbors when Kim and I were growing up, back in the dinosaur age when we had great fun reading teen magazines and she was tall and cool, and I was younger and not cool. My thoughts are with the family.*

“ We are so sorry to hear of Kim's passing. Our son, Steven, was in her class last year. He really enjoyed being her helper in class. She wrote him many kind notes, which he appreciated so much, especially one for his First Communion. She was very thoughtful! Our thoughts and prayers are with her family.

“ Kim - you were a bright, vibrant smile upon my life and many others during our tenure together at Winter Park High School. We shared some great moments together there as well as with our church youth group. Continue to fly high and I'll see you around the bend dear friend . . .

We were so saddened to hear of Kim's passing and send our heartfelt thoughts, prayers and condolences to each of you whom Kim held so dearly in her heart. Though our son, Sean, never had Mrs. Bertoni as a teacher we all knew and loved her and I enjoyed our talks whenever I volunteered next door, ran into her in the halls, or sat with her on the playground.

Mary Kate, I especially loved seeing your mom's face light up and hear her voice so full of love, pride, and pure joy as she spoke of you. You were, and always will be, the center of her universe.

*With all our love,
Kathy, Brian and Sean Clarke*
