“ I am in shock, I came across this page while doing research. Kim and I worked at S&H Fabricating together in Sanford and she was my best friend. Our kids are about the same age, and we were single moms together. I was her maid of honor when she married Ed, and we've spoken on and off since then. I last saw her about three years ago.

Tyler and Paige, I am so sorry for the loss of your beautiful mom. I know she was so proud of you both. Scott, I know you always meant the world to her, and I so admired your relationship. Gail, as a mother I can't imagine what it's been like for you. My heart aches for you and your family. She loved her sisters so much, I know you must miss her every day.

My heart is breaking, but I am happy to know my friend is an angel looking down on me now.

“ I met Kim when they brought Tyler and Pagie to New Life Daycare , I grew to love her and Scott through the years and it was a pleasure to see Pagie and grow up under my care. Kim was funny and sweet and loved her Babies and Her then husband Scott. They where a source of strength when my then husband died in a car accident years later. Kim was always in my thought through the years wondering how her family was doing and as I can see she and her family where just as close now as they were then when I knew them. So sorry for your loss and she will be missed by her family and grandchildren so very much, much love for your family and prayers at this time.
