

Kimberly Ann Voelker

February 10, 1969 - January 17, 2026

Kimberly Ann Voelker died peacefully under the care of her physician's while surrounded by her church family and closest friends on January 17, 2026, in Orlando

Florida at the age of 56. She is survived by aunts and uncles, Sherry Czapp, Jake and

Carolyn Reittenbach (Saginaw, MI), Gary and Liz Voelker (Essexville, MI) and many cousins.

Kimberly was born February 10, 1969, in Saginaw Michigan to Michael and Peggy

(Lockhart) Voelker. She graduated from Bridgeport Community High School in 1987

and went on to earn her Bachelors Degree in Political Science from Central Michigan University in 1992.

As a young girl, Kimberly helped her mother make and sell candies and cakes,

prompting her life-long love of baking. As she aged, she helped her father in managing the family construction business while also helping her mom through years

of fighting brain cancer. Sadly, her parents died while she was in her twenties attesting to her ability to encounter grief and hardship. These lessons helped her over time build her faith and foundation in God.

Her continued love for baking drew her to Orlando, Florida where she graduated from pastry school while also working with Chef Notter to write a confections book. Following a variety of administrative roles with several construction companies, she eventually found a home working environment she loved and settled into work with McCree General Contractors and Architects, relocating in Winter Park, Florida.

Due to her moves and work, she has connected and loved many church families while building her strong faith and supportive relationships that have carried her through a six-year battle with cancer.

Kimberly carried many talents including crochet, baking, sewing, violin, piano, singing, and Biblical counseling. She used her talents to love and support others unselfishly. Her love for horses, cats, reading and learning about God is part of her overall collective testimony of growth in a person who is a model for allowing God to cleanse her, change her and love others through her.

Her memorial service is scheduled for January 31, 2026, 10:00am, at Grace Chapel of

Longwood at 919 Lincolnwood Lane, Longwood, FL 32750. With limited space, this live service will also be live streamed via the internet. Pastor Mark Bigenho will officiate the ceremony. “ I have many memories with Kim We grew up together spending time with Grandma and Grandpa Lockhart. We were either spending the night there going camping ,or running around in the sprinkler. We also did Brownies together, girl scouts and bowled. Spent me any conversation on the phone rather walking through Disney, driving down the road to Walmart, or just walking around either park where she lived. RIP my beautiful cousin Zlk now your with the Lord and no more pain! ❤️❤️❤️❤️❤️❤️

“ I've known Kimberly since we were 7 years old. Since 5th grade we became very close and often referred to each other as "sisters". We spent a lot of time together and with each other's families growing up. Our lives took us on many different paths over the years but when we both accepted the saving Grace of our dear LORD & Saviour, Jesus Christ, we became Sisters in Christ and that's an awesome bond to share!! I am thankful for her family in Christ in Florida and most especially for their attentiveness to her these past months. I know she is & will be missed. Personally, I feel like a piece of myself has been amputated...but then I take comfort in knowing that she is with our Saviour now, and I smile. She is at finally at her forever HOME and is in total peace, because this broken world is certainly not our home!!

“ My deepest Condolences to the family. Kimberly was very dedicated & a faithful Stewart of what was entrusted to her as a whole. Kimberly will also be remembered for her delicious cookies she would bake from scratch during the holidays for the entire office! Our many talks will be missed. May Kimberly rest well.
