“ My deepest condolences for The Gilman family. I have worked with Mark Gilman for the past 6 years and have worked with Kyle for the past 3 years. Kyle was a great young man who always worked hard and had the best attitude of anyone on the job site. Kyle was his fathers son as he had the qualities that his father Mark has, that gained the respect and attention of the people around him. I am very sadden as we have lost a great future leader of our community. Rest In Peace Kyle as you can be assured that you have left this world a better place, simply through your presence has changed the people around you. Kyle you will be surely missed and others should aspire to follow your lead as being the best person you can be everyday.

“ During a few Holiday Party's that Mark would throw like on 4th of July or New Years Eve...Pam's Birthday last year, Kyle would sit near me (or I near him) and he even though I'm much older than Kyle, we would laugh the whole night and cut up together. We weren't as close as most of his acquaintences but we really got along....My prayers are with Mark and the entire family and friends at this time. Much love to you all....Michelle Tubbs
