“ *Carol Ellington Johnson - Childhood Boyfriend posted a condolence Dear Louise "Gabby" and Barbara, how sorry I was to hear of Larry's passing. We reacquainted at our last High School Reunion, several years back and enjoyed long telephone conversations, and a few personal visits. We spoke often of our early church days, old friends, and growing older. He was very proud of you, Louise, as he often spoke of how you could do anything, even climbing ladders to put up Christmas lights! I will always oonsider Larry one of my dearest friends with a friendship going back from the 1st grade until now. Do you remember his "Bunny" costume at our Halloween Party at Forest Hills? I was so "in love" with Larry for all of my school days, and he will be dearly missed! How comforting to know that it's not over yet, and one day we will all reunite with our Lord in our Heavenly home - my mom is already there! Love and prayers to you and the family. -Carol*
