“ *Kendra - Family Friend posted a condolence Joan, Heather, Ashley, and Amber, I have no words to describe how I felt when I heard about your loss. My heart was breaking for you all. Funny though, all the memories from years back came flooding back. All the laughter; the tears; even the moments of not so happy times. But overall, the good times outweighed them all, and I found some comfort in them. Now I am praying you too can find comfort in the memories of your dad as you go through this ordeal. He loved you all. Dearly!! Keeping you all very close in prayer. Love, Kendra*
