“ *Sharon Karahalis - Friend posted a condolence I will miss Larry, Sr., and just wanted to let the family know that he's in my prayers. He was one of a kind. He made an impact on me, because he was always friendly and always made me laugh, and for those reasons, I will remember him. I can see him right now smoking his pipe and wearing his big glasses, reveling in his antiques and saying, "oh yeah?" That's a memory I cannot forget. Love, Sharon Karahalis*
