

Laszlo (Laz) Sass

June 18, 1969 - August 17, 2023

It is with a heavy heart that we announce the sudden passing of Laszlo (Laz) at home on Thursday, August 17, 2023 in Longwood, Florida at the age of 54. We will miss him dearly but take comfort in knowing that he is at peace.

Laz was preceded in death by his Father, Anthony Sass and his beloved wife Loyda DeAlba Sass.

Laszlo was born on June 18, 1969 in New Brunswick, New Jersey to Anthony and Eva Sass. After moving to Longwood, Florida in 1982 he attended Rock Lake Middle School and then Lake Brantley High School.

He and his Father, Anthony created Tony's Home Improvements which became a very successful business for over 30 years serving the local community. He was an accomplished drummer in a local garage band, Idle Fury, formed together with best friends from high school, Andy and Steve. He was passionate about his Hungarian heritage and loved Formula One, NASCAR and the NY Giants.

He is survived by his Mother, Eva Sass along with his sisters Eva (Tom) Gallow and Aggie (Andy) Armstrong along with niece Nicole Monk and great nephew Aidan Monk.

No funeral services are planned and a Celebration of Life to follow at a later date.

In lieu of flowers memorial contributions can be made to the Seminole County

Humane Society or any animal rescue organizations.

“ Laz will be missed by so many; the beat of his drum and music will continue to dwell in many hearts. He was such a talented drummer who shared his music with Idle Fury many occasions; however, I dearly appreciated a Halloween party he played at my house; so generous with his time and talent! God rest his soul and many continued prayers to his family and friends.

“ It's been 4 weeks today since you left us Laz and I'm no closer to accepting this reality. Everything reminds me of you here at Anyu's. Aggie and I both feel so lost without you. 🦋💔 trying to be strong

It has been very hard to believe he is gone and things will never be the same for all of us. Strength in our bodies and love in our hearts will carry us through somehow.

“ Laz was a good man who loved working with his Dad, hanging out with his family, and of course, playing drums. I watched him grow from a boy into a husband and caring stepdad to Loyda’s children. After suffering the loss of his wife and father, I don’t think he ever recovered. Throughout his struggles, his family never gave up hope and loved him fiercely. One of my favorite memories is when we were visiting Aggie and Andy at their home in Apopka. Joe and I were singing in the Orange Room (where Idle Fury practiced). We were using the microphone and amps thinking we sounded good. Laz walked in, looked at us and then pulled the plug. 😭 Everyone else in the house, and probably the neighborhood, thanked him. Rest easy, Laz, you are free now. 🙏

“ It is a difficult time right now. Laszlo was more like a brother than a brother-in-law, we were both the baby brothers of two older sisters. We met around 1983, had a lot of good times through High School and beyond. We typically managed to stay out of trouble but we had our moments. Some of my most favorite times were playing in the band Idle Fury (IF) with our brother from a third Mother Steve Rybka. We played a live gig at Trizzy's Sports Bar in 2007 and luckily we recorded it. It was a special night and I will never forget it. I will miss you Laz and I do take some comfort in knowing that you are at Peace. Live at Trizzy's Round 2 is available to listen to on Soundcloud. Rest in Piece Laz, Love and Miss you Brother! God Speed!

“ *What a sad day. We've lost a good one. Laz was so talented. He was an amazing drummer, a skilled artist, I used to love looking at his sketches. His penmanship, what a weird thought, 🤔. He was a true craftsman. Some of my best memories was when he would be blowing off fireworks or grilling on the barbecue. The last few years was really rough for Laz. May our Lord and Savior, Jesus Christ, bring peace to all those who knew our friend, my brother-in-law LAZ.*

“ *Words cannot express how heartbroken I am little brother and miss you so very much. So many memories that it would take me a year to complete it, I just know that things will never be the same without you. We shared so many fun times and loved a lot of the same things- Formula One racing, NY Giants football, Godzilla movies and our Hungary family trips were some of the funniest and best memories. They say time heals all wounds but I fear it might take forever. Love you always Laz!*

“ I was 11 when Laz was born, I remember being so happy to have a baby brother to help take care of. The three of us siblings were always very close, feels like we lost a piece of us. RIP lil brother.
