“ *Paul Iglesias - Loving Nephew posted a condolence The gift from my Aunt was the love and knowledge and compassion she shared with me. In her lifetime she has changed everyone she has spent time with in her special way. Because she was so special. I will always cherish and remember the times we spent together and will always have a special place in my heart for her and she will always be with me. When we lost my cousin, her son, Anthony Vellucci, it was a lose that could not be described. No mother or family should ever have to got through that. I believe that it brought Aunt Estelle and I closer. She was a second mother to me and I felt like a son to her even though I could never replace Anthony. I will always keep a special place in my heart for her. I will never forget the times we shared together. They were all very special. I will miss you dearly. May you rest in peace with the Lord. Your loving nephew, Paul.*

“ Alicia Iglesias-Damijan - Neice posted a condolence *My Dear Aunt Estelle, She was the most beautiful person on this earth both inside & out. I will miss her words of wisdom, encouragement, advice and most of all her love! She was a Ray of Sunshine when she entered the room. I was extremely close to my Aunt and will cherrish all the fond memories. Especially the one of when her & my Mom, Bonnie, went to Key West for a long week-end. They found a sandal store and went overboard. When they returned home, they had the entire back of her Caravan packed full of sandal's. May she rest in peace. Time will heal the tragedy of loosing her, but her memories will remain in all of our heart's for ever and ever. Rest in Peace Aunt Estelle. See you in Heaven XOXOXOXO La La*

“ Lynn Dominy Foss - Sister posted a condolence Dearest Estelle. You were always the giving type. There had been a number of times in my life that you helped me get my act together and pointed me in the right direction. I now know that you did that for some many. As friends came to visit you, I'd listen to them remind you how important you had been to them. How you were so patient and inspired them to do so much more than they thought they could do. I also got to see how much Steve loved you. The two of you were true sole mates. You will be missed in so many ways, but in our hearts always. This is not goodbye. This is just until we meet again....
