“ My memories of “Aunt” Laura, are a vision of her bright and infectious smile and laugh. When my great grandfather, Joseph Suzio, died, my dad, grandmother, and I brought him to NY to be buried with his wife Felicia. Your mom made certain we were all comfortable and enjoyed the foods my dad had likely missed living in Oregon, including pizza with anchovies- my favorite to this day. I had the fun of bunking with Aunt Rose and Nana (bickering), Reader’s Digest, and their dentures in cups 😊 on the bedside tables downstairs. It is an experience I cherish- especially now that I’m older. I was invited to return to visit you all in Montvale. I returned a year later and Uncle Tony and Aunt Laura organized a great experience for me including providing a perfect plan for seeing the city. My next visit was in Florida when I was on a business trip to Orlando. Danny - you were grown by then. Your mom is a bright star; full of energy and light...now and forever. Gina Ariniello (Doss).

Rest in peace. She reminds me of my teacher when I was a child in Peoria Arizona at IRA A Murphy. I know this can't be her as she lived out of Phoenix in the 80's. May she rest in peace

“ I will always miss Laura’s sweet face and personality. Laura was both a professional and personal friend. In addition to being so kind to everyone she met, she was also an incredibly strong woman. I will never forget the picture that she kept on her desk of “her Tony” (that is how she always referred to her wonderful husband who was her high school sweetheart) and their son “Dan”. The picture was a threesome. So sweet. She is now with “her Tony” in Heaven.💔🙏 My love and sympathy to you, Dan and the entire LoPresto family.

“ Dearest Danny, Words cannot express the agony in my heart at the loss of your precious and dear mother who loved and adored you, your dad, family, and friends. We worked, laughed, cried, and shared our awesome friendship together in the executive offices at AAA for many years until retirement and my move with family to New Smyrna Beach, FL. She was always so beautiful inside and out, positive, uplifting, supportive, happy, funny, brilliant, and so much more. She was loved by all who knew and had the pleasure of her company. When my time comes to depart this earth, I hope to join forces again with her to work, shop, dine, eat lots of lunches, cake, laugh and travel together to eternity. Until then, she will always be in my heart, soul, thoughts, prayers and memory. You, me and all of your precious mother's family and friends were always blessed to know, love our friendship with her, laugh, joke, cry and share cake, sweets and daily lunches together, travel throughout the U.S.A. with the Executive Staff which we will continue to do once we meet again in Heaven.

I will never forget her dislike and fear of elevators, so bad that where ever we traveled, she would find the stairs to avoid riding in an elevator....too funny as we would wait for her at the top/bottom of the stairs with laughter and congratulations for surviving the journey in order to avoid riding in an elevator. Even in airports she would walk a mile to take the escalator vs. the elevator! I'm confident she quickly found the correct "Stairway to Heaven."

My sincerest and heartfelt condolences Danny for the loss of a most precious, dear and wonderful mother, family member, and loving, giving, caring, sharing, joking and laughing friend. Thank You for sharing her photo and memory, and I know for certain that she's already preparing to meet us all again according to God's Will, Time and Plan.

Love and Cherish Yours and Our Beautiful Memories of your mother and our forever dear friend, Trish Curcija (former Executive Assistant to the Presidents of AAA).

“ Dan,

I am so proud of you. You had many difficult times over these last few years. You have displayed what a real man your Mom and Dad raised. Dominic is so fortunate to have such a good example to follow.

When I think about your Mom, I see an always kind, energetic, fun-loving, smart, and compassionate woman. When we were teenagers, trying to make plans for safe fun, Laura would always figure things out. As my maid of honor, she was ready with advice when I needed it. Then when we introduced her to your Dad, I was so excited to have her as part of the family!

Thank you for being there and caring for my dear friend of almost 60 years.

*Love,
Aunt Angie*

“ *Dan & Family:*

How could anyone forget Laura! She was a beautiful, effervescent woman.. She was happiest when surrounded with family, friends, and coworkers. She was like a magnet, who attracted people.

Laura and I met in our early 20's when we worked for the same company in NYC. We became good friends. Later, our husbands also got to know each other. Our friendship continued when we moved to Florida. We were able to be together for many milestone events.

Danny, these have been very difficult years for you. Our respect and admiration go out to you for arranging and supervising the years of care your mother required. Some days were exceptionally hard for you, but you saw it all through to the end. You are quite a man, your mother and father's son.

Dan,

We'll always remember "camping out" at your mom and dad's house the year we moved to FL and had to evacuate for our first hurricane experience. We had fun and they were so hospitable. We'll miss Laura. Our thoughts and prayers are with you and your family.

Aunt Laura,

Thanks for taking us as children to new places and experiences. We could always count on you for an interesting visit and outings. Some of the best were around Christmas and sleep-overs. You always confirmed you were the "best aunt".

I have missed you and Uncle Tony more than I want to admit. I will continue to think of you in the best light and perhaps one day we will have some good laughs together.

*Your godchild and nephew,
Michael*

We express our deepest sympathy upon Laura's passing. Know that you are in our thoughts and prayer as you grieve. We grieve with you. Danny, your mom was a very dear and gentle lady and a very special friend to us. We remember with delight our times spent with Laura: she always gave you a genuine smile and heartfelt hug upon our arrival, she went overboard with hospitality, making sure you were comfortable as her guest, and she made the best Italian dishes and cookies. We will miss Laura, however we know that she is now in heaven with Tony, without further suffering. Our sincere sympathy and love,

Dear Danny,

When I first met Laura, she was working as a temp at the corporate HQ of A&P. The first time we spoke, she made me laugh and I knew she was going to be my friend...and she was for over 40 years. Laura was generous, funny, spirited, practical, quick to laugh and a joy to be around. She gave me advice that to this day, I still follow. I treasure the memories of trips to Florida and time spent with her and Tony as well as our side trips to Longboat Key, a place she loved. I am so happy to have had Laura in my life. Please know the admiration, gratitude and respect we have for you as you took such good care of her. My comfort is in knowing she is once again with Tony and I pray that brings you comfort as well.
