“ *My heartfelt condolences to Jenny & the entire family. I didn't have the pleasure of knowing Lauren as an adult; I remember the little girl with the very strong personality. It's heartwarming to see how much she loved & was loved.*

“ Lauren was one of my roommates at Rutgers. We shared a love of animals, the environment, and rap music. She had the kindest soul and was always there for me when I needed her to be. I'll forever cherish our memories together. My prayers go out to her family during this time <3

“ Lauren is the only reason I have good taste in music till this day. My bestie growing up, we would spend hours after school hanging out. Your memory is in my heart forever ❤️  
Jennifer and the family, you're in my prayers. I'm so sorry for your loss.

“ I was in high school with Lauren. Lauren was a very nice person and good friend to anyone she encountered. We met during marching season our freshman year of high school (I was in band and she was a Dazzler). We met during third quarter break and had a neat conversation. My thoughts and prayers go out to her and her family/friends during this difficult time.
