

## Lauren Marie Perez

February 2, 1985 - September 26, 2022

Lauren took fashion cues from no one and managed to keep the same eating habits as her toddler years. "Slim Jim" lost a loyal customer on September 26, 2022, in Altamonte Springs.

Lauren was born February 2, 1985, in Allentown, PA to Americo "Rick" and Linda Perez. She was a 2017 graduate of Webster University with her Master's degree in Information Technology Management. She married her girlfriend of four years, Jennifer Martinez, on June 24, 2021, in Altamonte Springs. She worked as a configuration Analyst with ADP, displaying her incredible knack for solving problems. Lauren was the most thoughtful, caring, loving wife, mother, daughter, cousin, and friend. There wasn't a person Lauren met whom she didn't impact or create her own unique bond. She was a person who didn't enjoy the beach because of the texture of the sand. She would learn to love the beach, play volleyball or football, and play with her son in the sand. She set the example of hard work, perseverance, patience, and kindness through all that she did, a legacy that impacted everyone who enjoyed the pleasure of knowing her.

She is survived by her wife Jennifer Martinez, son Logan, fur baby Strudel, mother Linda Perez, father Americo "Rick" Perez, prima hermana Jillian Paulus, and half-siblings Amanda and Nathan Perez, also aunts, uncles, and cousins.

At Jennifer's request, in Lieu of flowers, memorial contributions can be made to Logan's "Florida 529 Educational Savings Plan" by mailing a check or

money order to Florida 529 Savings Plan.

No hay palabras para expresar el sentimiento que tenemos de saber que ya no estaras con nosotros, especialmente con tu esposa y tu hijos que tanto te aman! Te vamos a extrañar! Descansa en Paz ☐

“ Oh Lauren, I know I only met you a hand full of times and yet you left such an impact ! All I can think about are those 2 days we all spent together here in NY! The first day you were running behind baby Logan the whole time as he climbed all over and the second day after some apple picking, you held onto him as he rode his first pony. I will always cherish the times we did meet, talk, and the photo we all took together before you all left NY. Thank you for loving baby Logan and Jennifer they way you did ! You'll forever be remembered. 💙

“ This was the last picture I took of your family when you came to visit NY just a few weeks ago when we went apple picking. You were a loving wife and an incredible mother to Logan. I lit a candle for you the other day to give you the light and warmth that you needed. Rest your beautiful soul and watch over the people who love and need you the most. I know your spirit will always be with us ❤️🙏
