“ He was my grandpa and I was only 5 years old when he passed away. I still have a cowboy hat that was his and a hat he gave to me. I was so sad when I was at his funeral. 🥹🥹🥹🥹🥹🥹🥹🥹

“ Dear Laz, You Touched the heart and lives of so many people, and I was just one of them.

You made me feel like I was family to you, when I felt completely alone.

You offered to help me when I felt completely abandoned by everyone in this world except for God.

You gave me hope when I felt hopeless. And you cared when no one else cared.

I know there is rejoicing in heaven at your arrival, and you will have no more pain or sorrow, but we will miss you very much down here as we wait to go to our heavenly together with you.

Heaven has gained an angel, and we have been separated from a true friend and brother in the Lord.

I am sure that God will bless, help, comfort, and take care of your family as you have taken care of His, In Jesus name. Amen

“ *From the moment he became family I saw his humorous and humbleness.. He always addressed me with respect and showed his love.. Always referred to me as "Titi" and my husband "uncle Eddie".. Even thou we did not see him often, when we did it was laughter. He was a very good husband to my niece and great dad to his children.. We will also miss him... May he" Rest in Peace "and may our heavenly Father continue to comfort his family with his love...*

I only knew Laz from playing pool with him (mostly against him since we were on opposing teams). He was always very nice to me and our team when we were playing pool together. He will be missed by many other pool players also. My heart goes out to his family. My son passed last week also, maybe they are playing pool together in Heaven.

“ *I will never forget the first time I met Uncle Laz. I knew he was a new addition to our family but only after 5 seconds he made ME feel like i was family and after 2 minutes it felt like he and I had been family for ever. We would lose touch every now and then as people do, but at every family reunion or event we would pick up right where we left off without skipping a beat. I miss him already.*

“ Laz Always Brighten Up The Room. He would Always Take The Time To Ask Me How Everything Was Going And Gave Advise, Then Would Tell Me How Proud He Was Of Me. The Best Part Was He Treated Me Like One Of His Daughters (Something I Really Haven't Had In My Adult Life By A Male Figure, Especially By My Own Father). I Will Always Cherish The Talks We Had. Laz You Always Have A Special Space Of My Heart.

Mariah Knoxen - March 02, 2015 at 07:47 PM

“ May Laz rest in peace. He seemed a happy sweet man. May he send you strength from Heaven to deal with the hole he has left.

From the moment he became part of the family I saw his humorous ways and humbleness... He always addressed me with respect and showed his love. He always called me Titi Nilda and my husband uncle Eddie.. Even thou we did not see him often when we did it was laughter.. He was a very good husband to my niece and great dad to his children... I will also miss him. May he rest in peace..
