“ *Aunt Lisa was awesome! I put her in the same class as my own Mother, her sister in-law Lori Courson, and described them as all “Unicorns and Rainbows”. I have a great memory of her when I was 5 coming to Kansas City to see Dad, Mom, Jared and I and running around the living room dancing jamming out to some Rolling Stones and Heart records when I was 5. I always looked forward to seeing her and the kindness and love she showed me and my siblings.*
