“ Will always remember how much he loved my sister and how happy he made her everyday. A kind, funny and generous soul. Will toast you at Dunkin Donuts and Boston Fishhouse. No one could cook a London Broil like Crow! The king of the charcoal grill. Rest in peace and we will always love you. Tim, Wendy and Tyler

“ Pompey was greatly loved and respected by his friends and the people of Ville Platte, LA. He was a sports "hero." He could play any sport well, and do most things well. He was the "Fonzie" of the Happy Days teens of our 50's generation.

*He will be missed.*
