“ *my beautiful sister Lee. I am glad I got to spend time with Lee before she went on a journey to her new world. Though she was so sick she still smiled and enjoyed when we reminisced about our growing up as kids. I truly admired Lee. She was such a brave woman. Now Lee is an Angel in heaven watching over us. She will be dearly missed. I will always ❤️ you Lee. Rest In Peace my sister.*

“ Well, I am not sure it will be possible to reconcile the thought that Lee has left us. While I had not seen Lee for some time, I have a wealth of memories from our working together that will always leave a smile and an enduring sense of gratitude that our paths crossed together in life. I will cherish those memories forever.
