“ Carrie Mlinarcik-Magana - Friend posted a condolence Still remember such a mischievous kid long ago. Had many good memories, dirt biking, hanging out at our house, playing softball and football, times that we teased each other and did silly things. You were one of a kind and will always remember the fun we used to have. Rest well and can still remember that impish smile. So sorry for your loss and may you find peace in knowing that he touched our lives in many and different ways.

“ Lori Mlinarcik - Friend posted a condolence Leroy aka Skeeter, was so young when we first met him. He lightened and brightened my life and Oakdale Street was never the same again. Playing cards in our kitchen, Spit! was the game. Ice cream parties being happy, small adventures, he always made me smile. I truly am so sorry for your loss, but I felt you should know that his light shined to me many years ago. Blessings and prayers.
