“ My deepest sympathies to the Reisinger family. Leroy was a wonderful neighbor, always looking for a way to help out. After he fell ill and could not do his yard work, I would help him out and he always rewarded me with a strawberry shortcake from Publix. Rest in Peace Leroy.

“ We enjoyed very much the eight years that we got to know Leroy. We hope that his time in the Forest of Lake Mary Community was enjoyable for him. Don't know if he liked Cathys' cookies better or making fun of he and I checking to see if each of us had our hearing aids on, and that he was going to tell Cathy if I didn,t. He always kept is home spotless and his yard neat and we surely miss him, love Ed and Cathy Boucher

Uncle Leroy, we never got a chance to reconnect but through Aunt Thelma and Uncle Buzz, I knew how you were doing. My heart goes out to Uncle Leroy's family and I pray for them. You're at peace now and reunited with my mother, Katherine and my dad, Russell along with your wives and other family members. Your reunion with them I'm sure will be joyous one!
