“ *Les was such a special person, I miss his smile, his bringing me wonderful delights from his garden. He was a one of a kind guy. I was saddened to hear of his leaving us but am happy that we will be together again in a garden, in Heaven!!
His wife, family and friends are in my thoughts and prayers,

I 've known Leslie since we were early teenagers..he was always such a gentleman..what a great wit he possessed..easy to laugh with...loved life..very caring..I received my transplant on his birthday and each year we celebrated our "birthdays" each year after that..he never forgot! We will see each other with all our friends when Jesus comes and he is raised from his sleeping grave to life eternal. Sleep well my friend. I will miss you

Childhood sweethearts in our 8th grade class....special memories of piano recitals, birthday parties, sabbath afternoons, ingathering, evangelistic meetings, pathfinder campouts, academy days and sadness when his family moved to Orlando.....gone but never forgotton. His parents loved me like one of their own....rest in the arms of Jesus till we meet again.

“ I am so sorry for your loss. I grew up with Leslie, the family lived across the street from my grandmother, his dad was the Chaplain at FL Hospital. Many wonderful memories of a typical "preacher's kid" (just as I am) and how we had to find our own way to Christ. I know Leslie will be waiting for us in Heaven when we, too, leave this earth. God be close to each family member is my prayer. With hugs, Bette (Russ) Day
